

Small steps lead to large strides.

Dorothy Day House Outreach

Every Friday the Outreach team stocks our pantry trailer with shelf-stable groceries, toiletries, and ready-made foods recovered from our myriad partners, then hitches up to the DDH truck.

At noon they roll out to multiple homeless encampments in Berkeley and distribute directly to those in need. Our trailer is now recognized as a symbol of support, and is a welcome weekly sight to many.

Dorothy Day House Pantry

Each Wednesday, coinciding with lunch service, our Parking Lot Pantry is open for business! It is amply stocked with shelf-stable groceries, toiletries, and ready-made foods recovered from our myriad partners.

Our community members are invited to stop by, see what's new, and fill a bag with items of their choice.
