

Small steps lead to large strides.

HORIZON VILLAGE

Horizon Village is one of Dorothy Day House's shelter programs, located at 742 Grayson Street in Berkeley. We provide shelter, showers, laundry, clothing, meals, and other direct services.

Dorothy Day said, "Food for the Body is not enough—there must be Food for the Soul". This is our guiding principle at Horizon.

Volunteer opportunities:

Lunch and Dinner Shifts

Meals are cooked at our Center Street location, then transported to Horizon. Volunteers receive the food, prep and attend to meal service, wash dishes, prep leftovers for distribution to non-residents, and generally clean up afterward.

Clothing Closet Shifts

We receive generous clothing donations from the community. Help us sort and organize, and create a welcoming environment for folks to choose what they need.

Plant Care Shift

Have a green thumb? Help us beautify Horizon Village! We have indoor and outdoor plants that need watering and weeding.

Door Monitor

While our staff attends to the many demands, it is very helpful to have a volunteer monitor the front door, checking guests in and out. This is often a quiet shift, so feel free to bring a book or your knitting!

Seeking volunteers interested in facilitating activities

This can be an art project, game night, special workshops, etc.
